

# WOMEN BUILD

## What is Women Build?

It's an opportunity for women to combat housing insecurity by helping to build Green Mountain Habitat for Humanity homes for low-income working families in Chittenden County. It's also a way for women to share or learn building skills and the chance to truly make a difference in the lives of local families.

## What's required?

If you have some building skills, great! However, all you need is a willingness to learn and a desire to help, and our skilled supervisors will train you on one or more tasks. Each team of 10 women must raise/donate a minimum of \$1000 to cover the cost of the day's materials, and t-shirts, snacks and lunch for the group.

## How do we register?

All teams must contact our Volunteer Coordinator and reserve their build day in advance. Send an e-mail to [adevoe@vermonthabitat.org](mailto:adevoe@vermonthabitat.org) or call 802-318-7533 to get in touch. Build dates are assigned on a first come, first served basis; reach out as soon as possible to secure your preferred date for the team.

## 2020 EVENT DATES

**August 10th - 14th 2020**
