

2024 Impact Report

Thank you for an incredible year!

As we close out our milestone 40th Anniversary year, we reflect on our incredible journey together. The progress we've made in building homes and fostering a vibrant community is a testament to the dedication of our supporters, partners, and volunteers. [Your critical support has transformed lives, allowing families to thrive in environments filled with hope, and the impact we've made is profound.](#) By supporting Green Mountain Habitat for Humanity, you have enabled Vermont families to envision a brighter future and empowered them to pursue their dreams.

This past year, our partner families worked alongside hundreds of community volunteers to help build their homes in Burlington, Colchester, and Morrisville, and in 2025 we are excited to start building in Essex Junction, Hinesburg, South Burlington, St. Albans, and Underhill.

Your support of Green Mountain Habitat over the past year has inspired us to work hard to find opportunities to help more low-income families in Northwest Vermont realize the benefits of affordable homeownership. We know when children and families have a stable and safe place to call home, they become more self-reliant and engaged in the community in which they live.

Thank you again for all that you have done to help us address the critical need for affordable housing in our community. We are profoundly grateful for the part you played in helping us lay the foundation for the year ahead.

In partnership,

David Mullin, CEO

Together with Habitat for Humanity affiliates from around the state, we framed walls on the Statehouse lawn.

New homeowners celebrate their Habitat home at the Dedication Ceremony, which commemorates all their hard work and new journey as homeowners.

We completed 6 more homes for local families, and we currently have over 60 in the pipeline. Asnat, a partner family member, is pictured here completing her sweat equity on her home.

Highlights from the year!

Our 40th anniversary was a stellar year for Green Mountain Habitat for Humanity. Here is a list of just some of our accomplishments:

- We helped 6 families, including 14 children, move into safe, energy-efficient, and affordable homes.
- We completed our first Pride Build!
- We hosted our Legacy on the Lake Boat Cruise fundraiser as a celebration of 40 years of building homes in Northwest Vermont.
- We worked with a number of community partners, such as Hireability, the University of Vermont, and the Missisquoi Valley School District, to help individuals gain employable skills.
- We partnered with Vermont Teddy Bear and gave a bear to every child who moved into a Habitat home in 2024.

On the horizon...

- A duplex in South Burlington
- 8 homes in Underhill
- 16 homes in South Burlington
- 2 triplexes in Hinesburg
- A duplex in St. Albans
- A home in Essex Junction

**“I’m going to feel proud,
happy, and part of this
community and this country
that I chose to call home.”**
